BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2008, section 256B.0911, subdivision 3, is amended to read:

Subd. 3. **Long-term care consultation team.** (a) A long-term care consultation team shall be established by the county board of commissioners. Each local consultation team shall consist of at least one social worker and at least one public health nurse from their respective county agencies. The board may designate public health or social services as the lead agency for long-term care consultation services. If a county does not have a public health nurse available, it may request approval from the commissioner to assign a county registered nurse with at least one year experience in home care to participate on the team. Two or more counties may collaborate to establish a joint local consultation team or teams.

(b) The team is responsible for providing long-term care consultation services to all persons located in the county who request the services, regardless of eligibility for Minnesota health care programs.

(c) For applicants for a credit under section 290.0678, the team must certify in accordance with procedures established by the commissioner that the care provided by the caregiver:

(1) qualifies as personal care assistant services under section 256B.0655, subdivision 2;
(2) is needed and provided in person on a daily basis;
(3) is appropriate based on the service recipient's needs and is likely to delay or avoid transferring the person to an out-of-home placement; and
(4) has been given a score using the caregiver burden scale under section 256B.0917, subdivision 6a.

Sec. 2. Minnesota Statutes 2008, section 256B.0917, is amended by adding a subdivision to read:

Subd. 6a. Duties with respect to home care credit; applications. (a) The commissioner shall develop by December 1, 2009, a caregiver burden scale to score applicants for the home care credit under section 290.0678. The score shall measure hours per week of care provided, the volume and types of assistance provided, and other criteria determined by the commissioner to be pertinent.

(b) Each caregiver applying for a credit under section 290.0678 must apply to the commissioner. The commissioner shall rank applicants on the score developed under paragraph (a). The commissioner shall limit approvals under this paragraph in order to keep the credit payments under section 290.0678 within the limits of appropriations made specifically for this purpose.

(c) In each calendar year, the commissioner shall accept until February 15 applications for a caregiver burden scale score for the previous calendar year. By March 15 of each calendar year, the commissioner must issue approvals for credits under section 290.0678, based on each applicant's score on the scale and the appropriations available for credits. The commissioner may develop procedures to delegate to appropriate organizations the responsibility to assign burden scale scores to applicants.

(d) The commissioner shall be exempt from chapter 14 for purposes of this subdivision.
